Interdisciplinary Treatment Coordination For Simplifying Implant Dentistry

Friday And Saturday, March 2-3, 2007
8:00 to 8:30am (Registration & Continental Breakfast)
8:30am to 12:00pm (Program)

6 CEUs Will Be Awarded Upon Completion

Dr. Robert Emery and Dr. Keith Progebin, a highly skilled oral surgeon and prosthodontist team from Washington, DC, will headline the continuing education section of this multifaceted event. Their unique team approach, presented in a motivating and interactive format, is both provocative and informative. Utilizing an active interchange between the instructors, the participant will learn advanced implant surgical and prosthetic concepts to maximize predictability and longevity including complex site development, recent advances in biomaterials, new components and techniques for provisionalization and development of predictable anterior aesthetics. Participants will also learn about complex patient care.

The latest surgical and restorative concepts for bone preservation and papillae management for enhanced anterior aesthetics as well as new surface technologies for accelerated integration will be discussed and illustrated.

LEARNING OBJECTIVES:

Upon completion of this program, attendees should have a better understanding of:

- Coordination of treatment for the complex implant patient
- Advances in biomaterials for hard and soft tissue regeneration
- Enhancing anterior aesthetics utilizing sophisticated developments in bone preservation
- The latest advances in surface technologies for accelerated healing and loading

Golf/Resort Information

GOLF

Golf at PGA National Resort & Spa offers the experience of a lifetime. With five tournament-caliber tracks, all ranked by Zagat among "America's Top Golf Courses," there is something for every level of player.

PGA National has played host to many national and international events, including The Ryder Cup, the PGA Championship and, from 1982–2000, the PGA Seniors' Championship. The **first** stop on the 2007 PGA Tour will be **The Honda Classic** and will likely draw more prominent players on the tour. This exciting event will benefit the Nicklaus Children's Healthcare Foundation. Each clinician registrant for this all-inclusive education event will receive **Honda Classic Credentials** and access to the **3i Skysuite on the 18th hole** each day of the tournament event. Unlimited food and beverage service is included in the Skysuite.

For those of you wishing to play golf during this event, a limited number of tee times have been reserved for Friday and Saturday afternoons on both the Haig and General courses. Attendees will have the opportunity to participate in this non-inclusive activity on either day. Rates are \$209.42 per person, per round and include green fees, cart fees, tax, one range token prior to play and administrative fees. Payment for this optional event will be handled separately from the program registration.

If you are interested in participating in this optional golf opportunity, please indicate your day of preference on the registration form found on the last page of this brochure. Payment will be made directly to PGA National on the day of play.

Registration / Cancellation / CE Credits

To provide each course participant with a focused and personalized educational experience, the number of registrants is limited for each course and registration is accepted on a first-come, first-served basis. Full tuition payment must accompany all registration forms. Upon receipt of registration form and tuition fee, 3i will send a confirmation.

Confirmed registrants unable to attend the course can obtain a refund (less a \$50 administration fee) by notifying 3i in writing no later than 14 days prior to the course date. Cancellations past that date will be subject to an additional penalty. 3i reserves the right to cancel a course no later than 14 days prior to the course date. Please be aware that 3i is not responsible for reimbursement of a non-refundable airline ticket or any other travel expenses in the event that a course is cancelled.

Continuing education credits awarded in the United States for participation in the CE activity may not apply toward license renewal in all states, countries or provinces. It is the responsibility of each participant to verify the requirement.
